Last week, while on the red carpet for the premiere of her new film The Birth of A Nation, filmmaker Nat Turner, was asked whether he'd ever run into any resistance to the movie. The

Birth of a Nation is, of course, a 2004 biopic directed by and starring Nate Parker about the antebellum slave rebellion led by Turner, who started in the mid-1800s by liberating his fellow slaves. While writing about the project, Parker talked to filmmakers who'd already worked on historical films about slave resistance such as The Butler, Belle and the Beast, and Cleopatra. "The reviews about Nat's movie were all good, but Nat said that I was the only person who'd say that," he tells Cineuropa. The Birth of a Nation is still playing in theaters, and a sequel to the first film is expected later this year. "At Sundance, one of the filmmakers he talked to told him that when he wrote the script he made sure to put it in such a way that it would stand alone, without having to have knowledge of the Nat Turner story. They've been doing research like this all along. All they've been told is 'If you put the movie out there, it's going to be controversial because people don't want to discuss a controversial topic. They want to feel that someone has handled it properly.' Every film is going to be looked at and judged with the view that they didn't
